6. PUBLIC COMMENT:

(Any person wishing to address the Board on any item that is not on the agenda may do so at this time. Public comments are limited to five minutes per person).

No public comment.

7. REPORT OUT OF CLOSED SESSION:

- a. Meeting with designated representatives of the El Dorado County Fire Protection District regarding employee salaries, salary schedules, and/or other compensation in the form of fringe benefits pursuant to Government Code Section 54957.6. The El Dorado County Fire Protection District’s designated representatives are Fire Chief Tim Cordero, Director Chris Swarbrick, Director Ken Harper and Patrick Clark.
 El Dorado County Professional Firefighter Union Local 3556, The Management Association.

Director Swarbrick stated the Board voted unanimously to adopt a side letter with El Dorado County Professional Firefighter Union Local 3556 regarding vacation accrual with probationary Firefighters.

8. DEPARTMENTAL MATTERS:

- A. DTA Fire Impact Fee Presentation

A PowerPoint presentation was given by DTA.

- Richard Ruiz
- Nate Perez

Public Comment:
Andy Nevis

The Board had discussion and decided they need more information to move forward and approve the Fire Impact Fee Nexus Study. Director Gilchrest stated he feels the Board would like more clarification on the following items:

- How does the County plan link to the Nexus Study?
- Any facilities that we saying are staffed/unstaffed or future unstaffed to staffed and how it aligns with the general plan.
- Rationale for the percent increase or decrease by category.
- Explanation on why unstaffed stations are included.
- How the nexus study will link to the Districts strategic plan.

This item was tabled until the next regularly scheduled board meeting.

B. Resolution 2021-01 Fire Impact Fee Nexus Study

This item was tabled until the next regularly scheduled board meeting.

C. Shared Service with Diamond Springs/El Dorado Fire Protection District

- Review and approve.

Public Comment:
Jacob Poganski

Director Gilchrest asked for a 3-month review to quantify the benefit of the relationship.

The Board asked for Chief Cordero to add additional detail to his Staff Report to clarify administrative shared duties.

It was moved by Director Brunton and seconded by Director Harper to approve Shared Service Agreement with Diamond Springs/El Dorado Fire Protection District. The motion was passed by the following vote:

Ayes: Brunton, Swarbrick, Harper, Kaiserman, Gilchrest
Noes: None
Abstain: None
Absent: None

- D. 2020 Annual Report
E. UAL for Service Area 7
- Discussion
- F. Update on CARES Act Funding

Chief Cordero gave an update on the CARES Act Funding.

9. **BOARD MATTERS:**

A. Board Training

- Training for New Board Members

Chief Cordero stated the District is currently working on a new Board of Directors Onboarding Handbook. The Board should receive a draft in about a month.

10. **COMMITTEE REPORTS:**

Standing Committees:

A. Strategic Planning

Chief Cordero stated he sent out an email to 6 Fire Safe Councils to check their availability and once he hears back from them, he will check board availability and get the initial meeting scheduled.

B. Budget and Finance (Kaiserman, Gilchrest)

Director Kaiserman stated the Budget and Finance Committee met on February 16, 2021 and discussed the following items:

- Monthly Trending of Expenditures Annual Budget - reviewed and discussed by Chief Dutch.
- AdastraGov Programming- was reviewed showing labor costs that will be utilized for projections by Chief Dutch. This program does not include UAL costs. The AdastraGov program will be presented to the Board of Directors when totally operational at the June or July Board meeting.
- UAL White Paper- a work in progress and should be completed in the next few months by Chief Dutch.
- Consolidation Flow Chart- to be updated in the next couple of weeks by Chief Cordero and will be discussed at the next Finance Committee meeting as a ranking score sheet rather than as a decision tree.
- Educational Scholarships- to be researched by Director Gilchrest for next Finance Committee Meeting for limitations and guidelines.
- CalPers Buyback- was discussed and waiting for a legal opinion from counsel.
- Developmental Impact Fees- The Nexxus study is completed and will be reviewed at the next Board meeting. \$4k City Reserve, \$1.3M County Reserve.
- Grant Funding PSPS- submitted for radios in the amount of \$132,000 was not successful.

C. Communications & Outreach (Brunton, Gilcrest)

Communications Committee will be a meeting the first week in March.

Ad-hoc Committees:

A. Facilities and Equipment (Brunton, Kaiserman)

No Report

B. Human Resources (Swarbrick, Harper)

Human Resources Committee will be having a meeting on February 22, 2021 to discuss the Satisfaction Survey.

C. Operational Strategic Planning (Swarbrick, Kaiserman)

No Report.

11. CORRESPONDENCE AND COMMUNICATION:

- Fire Engine Response Statistics.
- Medic Unit Response Statistics.
- Coloma/Lotus Hydrant Initiative.
- Cal OES Notification of Award Denial.
- Milton Ranch Drive Through Appreciation.

12. FIRE CHIEF'S REPORT:

- JPA:
 - New sub-committee for system enhancement to review call volume, locations, medic unit placement etc – first meeting is pending
 - Reviewing JPA policies and procedures for updates, including our control substance policy and CQI as initial primary focus
 - Looking into Instructional Service Agreement ISA with local colleges to establish training and reimbursements. Possibly a west slope group under the JPA – still exploring.
 - Chief Dutch and I have a meeting scheduled with Chief Blankenheim and Chief Morantz regarding the JPA legacy costs, this is a follow up to the meeting we had with Chief Ransdell and Chief Brown. We will also be scheduling with Chief Johnson (EDH) in the near future.
- CARES Act funds – All purchases have been made and equipment is in the stations. Chief Williams had a close out with County CAO's office, there were a couple of adjustments made, however, all our documentation has been provided.

- Hiring Update:
 - 2 newly hired firefighter paramedics completed their orientation and accreditation process. Currently assigned to 28C and 19A
 - Our recruit at the Sacramento Fire Academy suffered an injury – recovery will be 3 months minimum. Captain Adams is remaining at the academy as a DI.
 - Interview / testing process will be taking place in March for both FF/P's and FF/EMT's
- COVID-19 – Our crews continue to remain diligent with our protocols for COVID-19.
 - The EOC / County is completed their first public vaccination clinic at Red Hawk Casino last Thursday. This will be on-going, appointment only for now, on Thursdays. Chief Lohan remains as the operations chief for the event, working with the EOC staff. ECF also has a presence in various capacities.
 - We completed our second round of vaccinations for first responders the first week of February.
- City of Placerville
 - Continue to work with City staff, attending staff meetings and City Council.
 - Our prevention personnel and myself attended a meeting with City Building Department this morning, to review procedures with building plans, approvals, etc.
 - RFP's are being submitted to the City for the joint facility, criteria for review is being developed by the City.
- County Wide Fire Prevention update
 - The FPO's have been working on a revision to the Fire Water Supply without a Purveyor Residential and Commercial standard. This is a County-wide change to meet changes and provisions with the California Fire Code, NFPA and other resources and requirements. The primary changes address tank storage size and outlet sizes. This standard is part of the El Dorado County Regional Fire Protection Standards and would apply county-wide.
- District information
 - Engine 17 is beginning the construction process at Pierce, timeline for completion is May 2021
 - The flyer is still out for the positions within the Fire Prevention Bureau, closing on February 26th. Captain Stirling continues to hold down the bureau with assistance from Diamond Springs and qualified line personnel via overtime.
 - Annual audit is close to completion with Craig Fecter & Company. A close out presentation should be made to the Board at the March or April meeting pending final completion and scheduling with Craig Fecter & Company

- Station 28 retaining wall, compaction issues – Chief Williams has reached out to some of the engineering contacts for further consultation. No further update currently.
- AFG Grant period is open, Captain Snyder is working on the SAFER Grant for Station 72 staffing. He is also receiving support from other personnel as needed. Submission is due my mid-March
- LAFCO has our island annexation scheduling for their February 24th meeting, with a recommendation to open the public hearing on the matter, approve the environmental review, and approve the annexation.
- Live Fire Drills will be taking place at Station 23 next week, using the new conex box training props. This is a joint training with personnel from DSP assisting as part of the cadre and ground school, also Cal Fire is part of the rotation and trainings.
- Strategic Planning, waiting for a few FSC’s to meet and provide participant names. Once all have replied we can look to establish dates and locations, as well as, in person or virtual pending COVID-19 restrictions
- Near-Miss with LDH from one of the engines. Chief Lohan, as the Safety Officer for the District, will be putting together a “green sheet”. The hose in question, from that generation has been removed from service and is being re-tested before putting back in service. Also researching with the manufacturer to see if there are any known issues. When the failure occurred, the hose did strike an employee, knocking him to the ground. No reportable injuries.

13. BOARD COMMENTS:

Brunton: No Comment

Swarbrick: No Comment

Kaiserman: No Comment

Harper: No Comment

Gilchrest: Director Gilchrest asked Director Brunton if there was any updates on 4291 5’ requirements and if there was any updates on the CALFIRE side. Director Brunton said no. Director Gilchrest stated the Greater Cameron Park Area Fire Safe Council will be looking for a letter of support from the Board regarding a resolution being presented to BLM.

14. FUTURE AGENDA ITEMS:

Next regularly scheduled Board Meeting, March 18, 2021.

Resolution 2021-01 Fire Impact Fee Nexus Study.

15. **ADJOURNMENT:** *At 4:16 P.M. it was moved by Director Brunton and seconded by Director Harper to adjourn; all in favor.*

EL DORADO COUNTY FIRE PROTECTION DISTRICT
STANDARD OPERATING GUIDELINE

Job Description: Public Information Officer (PIO)

Position Description:

Public Information Officer (PIO) is the communications coordinator or spokesperson of the District. The primary responsibility of a PIO is to provide information to the public and media as necessary and to meet the legal requirements.

Supervisor:

Fire Chief or designee

General Requirements:

This position requires general knowledge of:

- Effective writing skills; professional appearance; use of people-first language in writing and when speaking; time management skills; media characteristics and processes; methods for information gathering; message development, dissemination, and monitoring; information technology; internal and external audiences; community relationships and resources; incident management system; organizational emergency and nonemergency functions, responsive and proactive message opportunities; responsible use of social media; organizational messages; nationally standardized fire and life safety themes and messages reflecting current best practices; program management; budget preparation and management; marketing; and applicable public information laws, standards, and policies.

This position requires general skills including the ability to:

- Use verbal and written communication skills, exhibit professional demeanor, manage interaction with the media, utilize various means of information technology, articulate organizational messages, identify applicable laws, develop and recommend pertinent policies and guidelines.

Nature of Work:

- Conduct media interviews, given incident information, PIO worksheets, and organizational policies, so that all information compiled on worksheets is accurate and disseminated in a specified time to the media.
- Establish a media area, given incident or event information, organizational policies, and types of media present, so that the area provides for the safety of all media and facilitates effective communication.
- Coordinate dissemination of information to specific community groups, given organizational policies and methods for contacting other groups and organizations, so that the information is communicated to the groups accurately and in a timely manner.
- Prepare a news release, given an incident, a situation, or event information and organizational policies, so that the news release is pertinent, on time, concise, and accurate.

- Prepare a media advisory, given an incident, a situation, or event information and organizational policy, so that the media advisory is pertinent, on time, concise, and accurate.
- Disseminate information to the media, given a PIO worksheet; news release or media advisory; the characteristics of the local media, including deadlines, organizational policies; and methods available to reach the media, so that information is on time and accurate.
- Disseminate information to an internal target audience, given an incident, a situation, or event information; organizational policies, and methods and time frame for releasing information, so that the information is on time and accurate.
- Coordinate a news conference, given information on an incident, a situation, an event, or issue; media characteristics and methods available for reaching the media; and organizational policies, so that a site is obtained, desired media are notified, a news conference agenda is established, a media information package is created, and participants in the news conference are notified.
- Disseminate information through applicable electronic forms of communication, including social media, given an incident, a situation, or event information; organizational policies; and methods and time frame for releasing that information, so that the information is on time, accurate, and accessible to all audiences.

Minimum Requirements:

Firefighter rank or higher

One or all of the following courses:

- NIMS Public Information Systems, FEMA IS-702
- Public Information Officer Awareness, FEMA/EMI G289/IS-29
- All-Hazards Position Specific Public Information Officer FEMA/EMI E/L 952
- Public Information Officer – Basic, FEMA EMI/ G290
- Introduction to Incident Information, NWCG S-203
- Information Officer, NWCG S-403
- Public Information in An All-Hazards Incident, National Domestic Preparedness Consortium MGT-318

Job Description: Communications Manager

In this position, you will be in charge of producing high-quality content that engages customers and builds brand recognition. Your main duties will also include creating informative content, press releases, articles, and media opportunities to share our District's mission, news, and services. The ideal candidate will be an excellent communicator, with good presentation and organizational skills.

Supervisor:

Fire Chief or designee

Nature of Work:

- Create informative and interesting press releases, press kits, newsletters, and related marketing materials.
- Develop and implement effective communication goals and objectives to execute on defined strategies that build community trust, District awareness, and community engagement.
- Prepare detailed media activity reports.
- Plan and manage the design, content, and production of marketing materials.
- Work with different divisions to generate new ideas and strategies.
- Supervise projects to guarantee all content is publication-ready.
- Create communication and marketing strategies for new programs, events, and promotions.
- Lead the public relations / public information staff.
- Respond to communication-related issues in a timely manner.

Minimum Requirements:

- A minimum of 3 years experience in a similar role.
- Proven experience creating targeted content.
- Strong knowledge of communication practices and techniques.
- Outstanding written and verbal communication skills.
- Must be able to multitask and work well under pressure.
- Excellent organizational and leadership abilities.
- Qualified as a District Public Information Officer (PIO) - *See Public Information Officer (PIO) job description*

Updated 1/1/18

To: Board of Directors
From: Tim Cordero, Fire Chief
Date: March 3, 2021
Subject: MOU between El Dorado County Fire District and U.S. Department of the Interior, Bureau of Reclamation

The County Fire Chiefs received a presentation from John Hutchinson, representing the U.S. Bureau of Reclamation (BOR), pertaining to an MOU agreement amongst several fire districts and fire department from El Dorado County and beyond last year. Many of the districts, ours included, had questions with regards to the MOU and an updated version has been provided.

The MOU, if approved, would allow for our Fire Districts to potentially partner with other groups such as Fire Safe Councils or homeowner associations who receive grant funding for fuel reduction work on BOR lands. BOR needs a conduit, such as a local fire district, to allow these types of projects to take place.

Any proposed projects that would involve BOR lands would require BOR approval, and the Fire District would retain the liability for oversight and compliance of said project.

Our Fire District does not currently have any proposed projects or partnerships that would require this MOU to be in place, however, if an opportunity arose it would be in place to facilitate.

The MOU has been reviewed by legal counsel, with no recommended changes. It should be noted that any proposed projects or partnerships under this agreement

must be thoroughly reviewed as the time involved and potential liability to the District could be substantial.

Staff would recommend approving the MOU between the El Dorado County Fire District and the U.S. Bureau of Reclamation.

MEMORANDUM OF UNDERSTANDING (MOU)

Between

COUNTY of PLACER, FORESTHILL FIRE PROTECTION DISTRICT, SOUTH PLACER FIRE DISTRICT, NEWCASTLE FIRE PROTECTION DISTRICT, PLACER HILLS FIRE PROTECTION DISTRICT, PLACER COUNTY FIRE DEPARTMENT, IOWA HILL COMMUNITY CLUB, SACRAMENTO METROPOLITAN FIRE DISTRICT, PLACER RESOURCE CONSERVATION DISTRICT, EL DORADO RESOURCE CONSERVATION DISTRICT, GEORGETOWN DIVIDE RESOURCE CONSERVATION DISTRICT, EL DORADO COUNTY FIRE DISTRICT, CITY OF FOLSOM FIRE DEPARTMENT, GEORGETOWN FIRE DEPARTMENT, & EL DORADO HILLS FIRE DEPARTMENT

and

U.S. DEPARTMENT of the INTERIOR, BUREAU OF RECLAMATION

1. Introduction

This MOU between the

County of Placer (County)
Foresthill Fire Protection District (FFPD)
South Placer Fire District (SPFD)
Newcastle Fire Protection District (NFPD)
Placer Hills Fire Protection District (PHFPD)
Placer County Fire Department (PCFD)
Iowa Hill Community Club (IHCC)
Sacramento Metropolitan Fire District (SMFD)
Placer Resource Conservation District (PRCD)
El Dorado Resource Conservation District (EDRCD)
Georgetown Divide Resource Conservation District (GDRCD)
El Dorado County Fire District (EDCFD)
City of Folsom Fire Department (FFD)
Georgetown Fire Department (GFD)
El Dorado Hills Fire Department (EDHFD)

(collectively referred to hereinafter as the Districts), and U.S. Department of Interior, Bureau of Reclamation (Reclamation) is to establish a collaborative relationship to implement and manage wildland fire fuels reduction programs on those lands under the authority of Reclamation adjacent to the developed lands within the District boundaries as shown in Exhibit 1.

2. Authority

Reclamation's authority to enter into this MOU comes from the Act of May 27, 1955, Public Law 46 Chapter 105 and codified in U.S. Code Title 42, Chapter 15A, Subchapter I, Section 1856a-1:

Authority to enter into contracts with State and local government entities. The Secretary of the Interior is "authorized to enter into contracts with State and local governmental entities, including local fire districts, for procurement of services in the pre-suppression, detection, and suppression of fires on any units within their jurisdiction."

FURTHERMORE, For the purposes of fire protection and assistance (296 DM 1) the Commissioner (along with any further delegations) of the Bureau of Reclamation is

authorized to exercise the authority delegated to the Secretary of the Interior for entering into any agreements as described above (255 DM 2).

3. Background

Reclamation has a history of partnering with *certain* Districts to implement activities aimed at reducing wildland fuels on Reclamation fee title and Reclamation managed lands (herein referred to as Reclamation Lands) throughout Placer, El Dorado, and Sacramento counties. The purpose of these activities has been to reduce wildland fuels in strategic locations to enhance fire suppression activities, provide increased firefighter safety on Reclamation lands, and create adequate defensible space to adjacent private residences. Reclamation and *those* Districts have achieved this by working collaboratively together and with adjacent landowners to reduce hazardous fire fuels on Reclamation Lands. Those Districts have provided sources of funding, and provided oversight and guidance to private landowners, contractors, and vendors on these efforts. This collaboration has allowed those Districts and willing homeowners to clear Reclamation land of hazardous fire fuels within their recommended defensible space area.

4. Objective

Reclamation and Districts intend to cooperatively support one another to proceed with management and operation of wildland fire fuels reduction treatments on Reclamation lands within or adjacent to the respective District boundaries. Reclamation will give permission to the Districts to perform fire fuels reduction and management projects on those Reclamation project lands in coordination with Reclamation.

5. General Provisions

- a. Reclamation will allow the Districts, its agents; private landowners, contractors, and/or vendors to perform wildland fire fuels reduction projects with District oversight on Reclamation project lands within their respective District boundary.
- b. Any party not a signatory to this MOU that enters Reclamation land for the purpose of executing this MOU and at the invitation of the Districts shall be considered an agent of the Districts. The Districts acknowledge and understand that the Districts are fully liable for any and all damages that result from its agents' actions on Reclamation lands.
- c. The Districts will coordinate with Reclamation and receive specific project approval for each treatment performed by the Districts or its agents on Reclamation project lands before any work begins.

6. Exclusions/Limitations

- a. Nothing in this agreement may be construed to obligate the Districts or the United States to any current or future expenditure of resources, nor does this agreement obligate the Districts or the United States to spend funds on any particular project or purpose, even if funds are available.
- b. Funding for wildland fire fuel reduction treatments will follow applicable guidelines as established by a funding source.
- c. This MOU only applies to Reclamation lands as shown in Exhibit 1. Activities occurring on lands not under Reclamation's jurisdiction would need to be coordinated with appropriate landowners or entities.

- d. This MOU sets out Reclamation and the District's intentions and objectives and does not apply to any person outside Reclamation and the Districts. This MOU is not intended to and does not create, any right, benefit, or trust responsibility, substantive or procedural, enforceable at law or equity, by anyone against the United States, its agencies, or its offices.
- e. Reclamation reserves the right at any time and without liability to the United States to prohibit and exclude any individual, party, or organization from working on Reclamation lands under this MOU if Reclamation determines that the activities being performed are counter to the purpose of this MOU or contrary to the interests of the United States.

7. District Responsibilities

- a. The Districts will be responsible for the management, coordination, implementation, inspection and oversight of hazardous fuels treatments when applied to Reclamation lands that arise under this MOU.
- b. Prior to implementation of any activities on Reclamation lands the Districts will coordinate closely with Reclamation on the status of each ongoing activity performed under this MOU.
- c. Each District(s) actively engaged in or plans to engage in fire fuel reduction treatments under this MOU agrees to attend an annual coordination meeting with Reclamation at the beginning of each calendar year.
- d. The Districts will notify the Reclamation's Central California Area Office Resources Manager via email, phone call or in person no less than one week in advance of implementing any activities on Reclamation lands under this MOU.
- e. The Districts shall require any landowner, party, or organization not a signatory to this MOU to sign a Reclamation approved Volunteer Agreement and Release of Liability form filed with the overseeing District, with a signed copy provided to Reclamation prior to the commencement of any activity on Reclamation lands.
- f. The Districts shall enforce all clauses in the guidelines described in Section 9 of this MOU on itself, its agents, contractors, vendors, or other parties that the Districts partner with in efforts to execute this MOU on Reclamation lands.

8. Reclamation's Responsibility

- a. Prior to implementation of any activities on Reclamation lands, Reclamation will coordinate closely with the Districts on the status of each ongoing activity performed under this MOU.
- b. Reclamation will complete and/or assure that appropriate environmental documentation has been completed for each fuel reduction activity performed under this MOU in accordance with the National Environmental Policy Act, and all other applicable laws prior to implementation of any such activity(s).
- c. No less than one month prior to the beginning of each calendar year, Reclamation will arrange and provide to the Districts a date, time and location for the annual coordination meeting.
- d. Reclamation will provide to the Districts a Reclamation approved Volunteer and Release of Liability form to be signed by any agent of the Districts not a party to this MOU.

9. Fire Hazard Safety Requirements

All work associated with this MOU must be coordinated no later than one week in advance with

Reclamation and must follow Reclamation's guidelines for implementing fuels reduction activities on Reclamation lands. These Guidelines will be incorporated into the Scope of Work (SOW) for each activity performed under this MOU. Changes to the SOW, including scheduling location sites, or project activities must be submitted in advance for Reclamation's prior approval. The United States reserves the right to inspect the site before, during and after project completion.

10. Liability

The Districts hereby agree to indemnify and hold harmless the United States, their employees, agents, and assigns from any loss or damage and from any liability on account of personal injury, property damage, or claims for personal injury or death arising out of the District's and its agents' activities under this MOU.

11. Insurance

The Districts are to each maintain certificates of insurance evidencing \$1,000,000 coverage in a standardized form while undertaking any activities under this MOU; to include liability, Worker's Compensation, and fire suppression requirements resulting from inadvertent ignition during wildland fire fuel reduction treatments. Any vendor or contractor performing activities under the direction of a District(s) on Reclamation project lands will submit an endorsement showing the District(s) and Reclamation, its officers, agents, and employees as additional named insured.

12. Term of MOU/Amendment/Authorities not altered

This MOU will be in effect on each District and Reclamation upon the date of execution by said District and Reclamation. This MOU is only effective on a District or Reclamation upon execution. Any District that has not executed the MOU may still execute the MOU at a future time, but said Districts are not expected or required to participate in the activities discussed in the MOU. This MOU will stay in effect for 1 year and will automatically renew annually for a total term of 5 years unless terminated in writing. By mutual agreement of the executed parties, this MOU may be renewed for successive 5-year periods not to exceed 20 years in total.

Either the District(s) or Reclamation may terminate their individual participation in this MOU after 30 days of written notification to the other.

Amendment. This MOU may be amended through written agreement of all signatories.

Authorities not altered. Nothing in this MOU alters, limits, or supersedes the authorities and responsibilities of any Party on any matter within their respective jurisdictions. Nothing in this MOU shall require any of the Parties to perform beyond its respective authority.

13. Scope of MOU

Nothing in this MOU is intended to negate, reduce, or impact, any and or all other agreements that each agency has with other agencies or jurisdictions.

14. Covenant against contingent fees

The Districts warrant that no person or agency has been employed or retained to solicit or secure this MOU upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established

agencies maintained by the District(s) for the purpose of securing business. For breach or violation of this warranty, the United States shall have the right to annul this MOU without liability or in its discretion to require the Districts to pay the full amount of such commission, percentage, brokerage, or contingent fee.

15. Officials not to benefit

No Member of Congress shall be admitted to any share or part of this MOU entered into or accepted by or on behalf of the United States, or to any benefit to arise thereupon, but this restriction shall not be construed to extend to this MOU if made with a corporation or company for its general benefit.

16. Nondiscrimination on the basis of race, color, or national origin

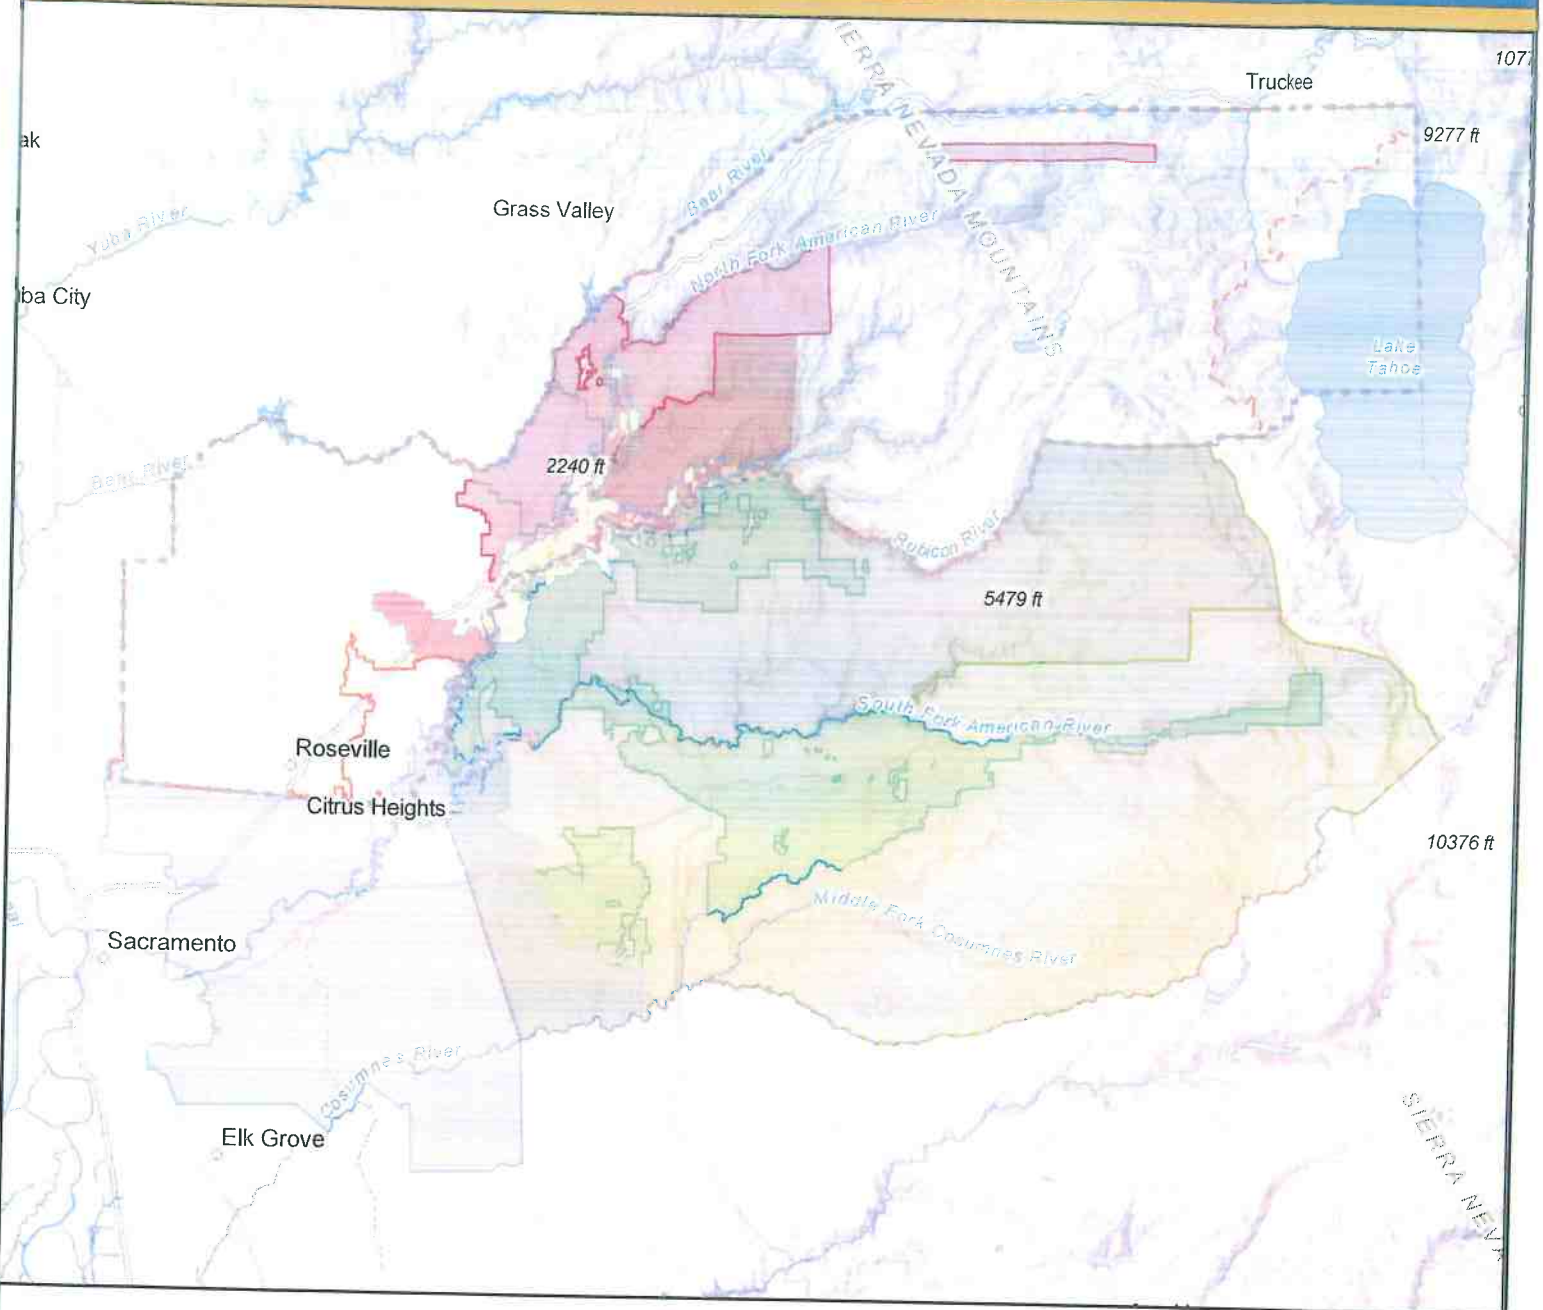

The Districts hereby agree to comply with Title VI (Section 601) of the Civil Rights Act of July 2, 1964 (78 Stat. 241) which provides that "No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance," and to be bound by the regulations of the Department of the Interior for the effectuation thereof, as set forth in 43 CFR § 17.

17. Nondiscrimination on the basis of disability

The Districts hereby agree to comply with Section 504 of the Rehabilitation Act of 1973, Public Law 93-112, as amended which is designed to eliminate discrimination on the basis of disability in any program or activity receiving Federal financial assistance.

18. Nondiscrimination on the basis of age

The Districts hereby agree to comply with the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6101, et seq., and the general age discrimination regulations at 45 CFR § 90 which are designed to prohibit discrimination on the basis of age in programs and activities receiving Federal financial assistance, as set forth in 43 CFR §17.

To: Board of Directors
From: Tim Cordero, Fire Chief 
Date: May 7, 2020
Subject: Standard Operating Guideline Article 2 Section 34:
District Email

The District has been working in conjunction with our IT Provider, RTS Computers to develop an updated Standard Operating Guideline, as it pertains to District email. The proposed SOG encompasses all personnel within the District, from the rank and file to the Board of Directors.

Attached are two versions of the proposed SOG, the first being in a format provided by RTS and reviewed by the Communications Committee, additionally the Board is provided a copy in our standard SOG format. Also included within this request is a new Board Policy, 1035 which refers to the proposed SOG Article 2 Sect. 34.

Staff would recommend approval of SOG Article 2 Section 34 and Board Policy 1035 with direction to have our IT provider move forward with establishing email accounts for the Board of Directors.

Gentlemen, After over 30 years in the fire service, I can honestly say I hoped to never be on the receiving end of a response. I wanted to thank you for your care & professionalism on Jan 17th when you responded to my "motorcycle down" incident ISO the conference. Looking up from under that truck, seeing fellow brothers taking care of me, is something I will never forget. Thank You.

Dinner is on me.
